Step 6 & 7: Dashboard & Payment

The screenshot shows the user's profile dashboard. At the top, there's a header with the ICOH 2027 logo and navigation tabs: Profile, Pay & Register, Abstract, Cart, and Logout. The main content area features a profile card for Dr. Tobey McGuire, an ICOH Non-Member with registration number IN21. Below the profile card, there are two sections: 'Personal Information' and 'Registration Details'. The 'Personal Information' section includes fields for Email Address (ahmed.ali@medivisionevents.com), Phone Number (+91 8787848484), Gender (Male), Age Group (25 years and below), and Country. The 'Registration Details' section shows the Category (ICOH Non-Member), Registration No (IN21), and Status (PENDING).

Step 6: Your Dashboard

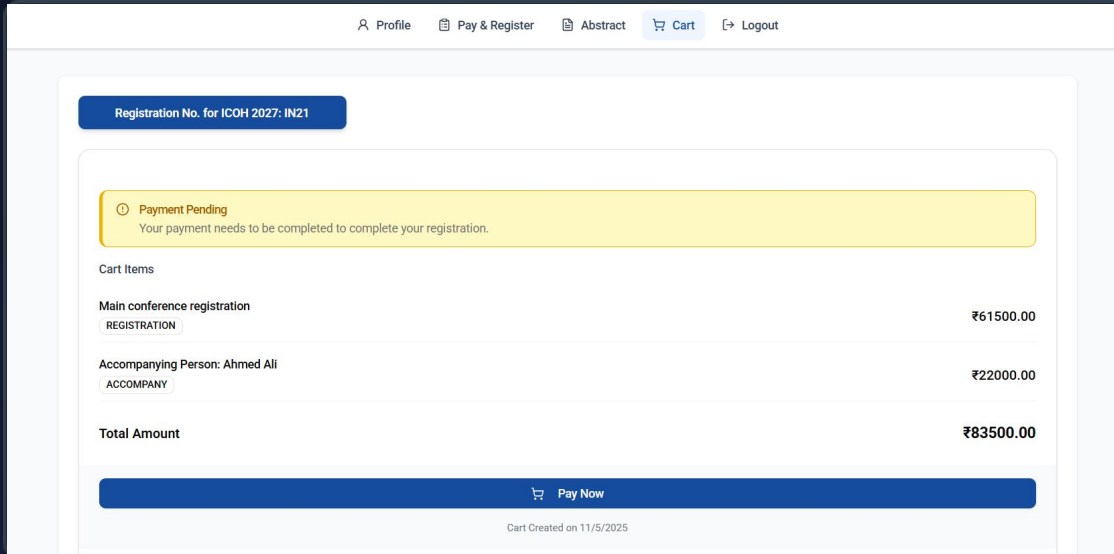

This is your profile hub. You can edit your profile or use the tabs to navigate. Note that M-Badge and Certificate tabs are 'Coming Soon'.

The screenshot shows the 'Pay & Register' tab. It displays a 'Payment Pending' status with a message: 'Your payment needs to be completed to complete your registration.' Below this, there's a 'Cart Items' section showing a 'Main conference registration' for ₹61500.00 and an 'Accompanying Person: Ahmed Ali' for ₹22000.00. The 'Total Amount' is ₹83500.00. There are three buttons: 'Save & Proceed to Pay', 'Save & Proceed to Abstract Submission', and 'Save & Logout'. To the right, there's an 'Accompanying Persons' section showing 'Existing Persons' (Ahmed Ali) and a 'Gala Dinner' section with a checkbox for 'I would like to attend the Gala Dinner' (Amount: ₹11000). A 'Submit' button is at the bottom.

Step 8: Abstract Menu

Clicking the 'Abstract' tab reveals the submission options: Guidelines, Abstract Submission, Abstract Drafts, and Submitted Abstracts.

Step 8 & 9: Guidelines & Submission

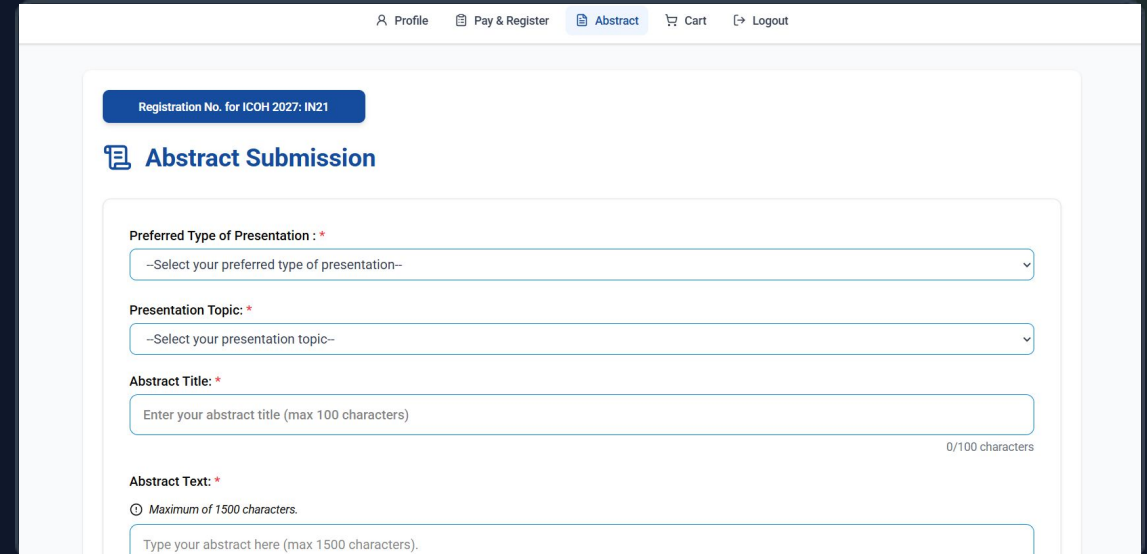

The screenshot shows the 'Abstract' tab selected in the top navigation bar. A blue box at the top left displays 'Registration No. for ICOH 2027: IN21'. The main heading is 'ICOH 2027 - Call for Abstracts' with the dates 'Mumbai, India | 14th - 19th February 2027'. Below this, a paragraph states that the ICOH 2027 invites researchers, professionals, practitioners, and students to actively contribute to the scientific program by submitting abstracts for consideration as oral or poster presentations in the Free Paper Sessions. The 'Language' section shows 'English' selected. The 'Word Limit' section lists: 'Title: Up to 100 characters' and 'Abstract Body: Up to 1,500 characters (including spaces and section headings)'. The 'Authors' section lists: 'No restriction on the number of authors. However, to encourage wider participation, not more than two (02) abstracts will be allowed for each presenting author.'

Step 8: Review Guidelines

First, click 'Abstract Guidelines' to review all rules, sub-themes, and formatting requirements before you begin writing.

Please Note - To ensure diverse participation and a comprehensive program, a maximum of two (2) abstracts per registered presenter will be considered. The final decision regarding abstract acceptance and the assigned format of presentation rests solely with the Scientific Committee.

The screenshot shows the 'Abstract Submission' form with the 'Abstract' tab selected in the top navigation bar. A blue box at the top left displays 'Registration No. for ICOH 2027: IN21'. The form has four main sections: 'Preferred Type of Presentation' with a dropdown menu showing '--Select your preferred type of presentation--'; 'Presentation Topic' with a dropdown menu showing '--Select your presentation topic--'; 'Abstract Title' with a text input field showing 'Enter your abstract title (max 100 characters)' and a character count of '0/100 characters'; and 'Abstract Text' with a text input field showing 'Type your abstract here (max 1500 characters)' and a character count of '0/1500 characters'.
